# AUTUMN LEAVES

[Am]

The falling **[Dm7]** leaves, **[G7]** drift by the **[Cmaj7]** window **[C6]**
The autumn **[Dm6]** leaves, **[E7]** of red and **[Am]** gold,
I see your **[Dm7]** lips, **[G7]** the summer **[Cmaj7]** kisses **[C6]**
The sun-burned **[Dm6]** hands, **[E7]** I used to **[Am]** hold

Since you **[E7]** went away, the days grow **[Am]** long,
And soon I'll **[G7]** hear, old winter's **[C]** song,
But I **[Fdim]** miss you most of all, my **[Am]** darling,
When **[Dm7]** autumn **[E7]** leaves start to **[Am]** fall **[Dm][Am]**
