First note: open E string.

1. Down in Ja- mai- ca they got lots of pret-ty wom-en.
2. Poor ol' Jim- my sits a- lone in the moon- light.

Steal your mon-ey then they break your heart .
Saw his wom-an kiss an- oth- er man. So he

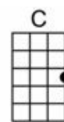

Lone-some Sue, she's in love with ol' Sam
Takes a ladder, steals the stars from the sky

Take him from the fire in-to the fry-ing pan. On and on,
Puts on Si- na- tra and starts to cry. On and on,

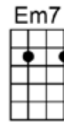

She just keeps on trying. And she smiles when she feels like crying.
He just keeps on trying. And he smiles when he feels like crying.

~ On and on, on and on, on and on. ~

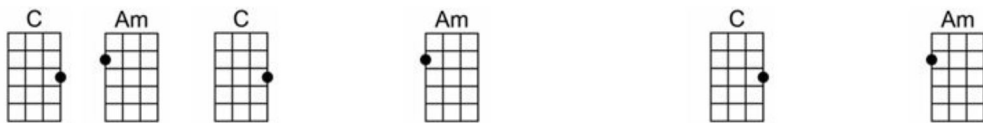

Bridge:

When the first time is the last time, it can make you feel so bad.

But if you know it, show it, Ho-o-old on tight, don't let her say good-ni- i- i-ight.

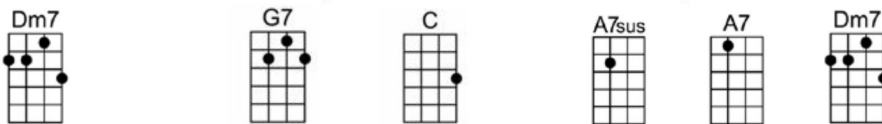

3. Got the sun on my should-ers and my toes in the sand.

My woman's left me for some oth-er man. Ah but

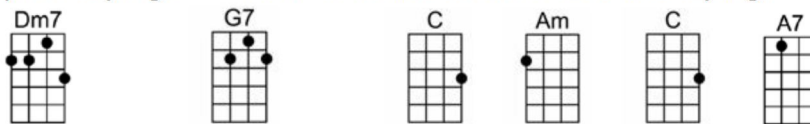

I don't care. I'll just dream and stay tanned.

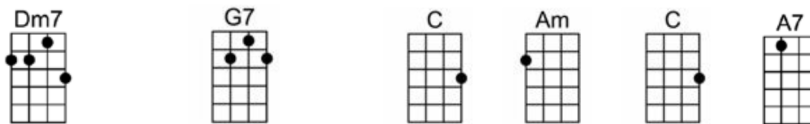

Toss up my heart to see where it lands. On and on,

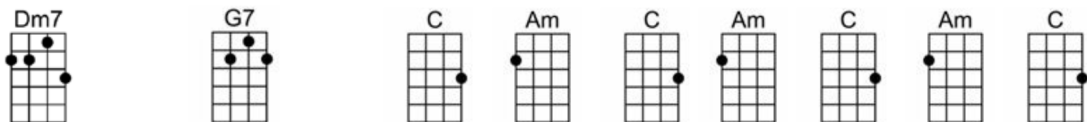

I just keep on trying. And I smile when I feel like dying.
